25X1A

[redacted] met yesterday with [redacted] and [redacted]. [redacted] is anxious to extend the coordinated TSD effort in audio to include the preparation of the plans routinely submitted to PPB via DD/S&T and DDP. Ideally a single Agency audio program would be consistent with the ORD and TSD responsibilities identified. It would be possible to provide PPB with the consolidated that reconstruction of the Directorate inputs under planning "element" would be simplified. [redacted] TSD planner involved. He will contact [redacted] on [redacted] planning arrangements.

2. [redacted] feels it would be useful if other areas in which ORD was supporting the clandestine services could be more fully coordinated. This would be of special assistance to in preparing the over-all R&D support program to DDP elements. This step should wait, however, until a good work-arrangement is established in the audio area.

25X1A

Director of Research and Development.
